Why do Catholics do that??

Who was St. Valentine?

The love of God reigns in the hearts of all saints, but there is one who has the joy of being the patron saint of lovers: St. Valentine.

According to a tradition, St. Valentine risked his life to marry couples in a Christian way during the time of persecution. He finally gave his life in martyrdom, which is the ultimate manifestation of love. The love of this holy priest for Jesus Christ and for defending the Sacrament of Matrimony inspires us to raise human love to the heights of the divine love for which we were created. Christians should take advantage of this feast to recover the Christian meaning of love and marriage in the light of Christ.

Automated External Defibrillator (AED) Donations:

An AED is a medical device used that helps to re-establish heart rhythms for those experiencing cardiac arrest. We have graciously been donated one AED but would be good to have one in the Church and at our school for emergencies. The total we would need to raise is \$2,227.40 to fully fund the equipment and the bases needed to properly install them.
