Why do Catholics do that??

How should senior citizens observe fasting and abstinence during Lent?

According to Canon 1252 of the *Code of Canon Law*, all Latin-rite Catholics are required to observe the laws of abstinence starting at the age of 14. There is no upper age limit on abstinence after which the person is automatically excused, but those who need to eat meat for a medical reason may be dispensed from the abstinence requirement. In the United States, the fasting requirement begins at age 18 and continues "until the beginning of their 60th year." At that age, a person is automatically excused from the requirement to fast on Ash Wednesday and Good Friday, but, if health permits, may participate in the fast should he choose to do so.

****Pope Francis Special Intention for Lent**

Loving Father,

Let us pray that broken families might discover the cure for their wounds through forgiveness and rediscovering each other's gifts, even in their differences.

****Bishop Shawn McKnight March Intention**

For a spirit of humility and repentance, that we may confess our sins and seek reconciliation in preparation for the Easter feasts. May our hearts be purified and opened to the grace of God.

We pray to the Lord.
