Why do Catholics do that??

What do the Marks on the Paschal Candle mean?

The Paschal Candle is marked at the Easter Vigil with very specific symbols.

First, the cross: It is traced to show that Christ is at the center of history and everything we should be doing even now. Second, the numbers of the current year show that Christ is Lord of time. Third, the Greek letters for Alpha and Omega show God is without limit - He is The Beginning and The End! Fourth, the grains of incense are inserted like the nails or wounds that saved the world. Finally, the candle itself shows that Christ is alive. When the candle is lit, death gives way to Life.

When you see the candle burning you are not seeing a flame. You are seeing Christ, crucified, risen, and reigning over all time!

Voices from McCartan Families

What Made You Choose Fr. McCartan?

"We love the family oriented one-on-one learning environment with a blend of academics and religion. The small class sizes with a family oriented atmosphere that focus on life values is why we chose Fr. McCartan. We didn't realize that non-Catholic families could attend until we were approached by a former Fr. McCartan parent about sending our boys to preschool." - Paige Sayre

**Pope Leo XIV Special Intention Easter

For priests in crisis Let us pray for priests going through moments of crisis in their vocation, that they may find the accompaniment they need and that communities may support them with understanding and prayer.

Monthly Devotion April

In April, The Church traditionally encourages us to increase our devotion to Jesus in the Holy Eucharist. The Eucharist is the source and summit of the Christian life; all of our works are oriented toward it. Jesus' body, blood, soul, and divinity are truly present in the host. When we receive the Blessed Sacrament we unite ourselves to God and receive the life and healing He longs to give us. Saint Mother Teresa of Calcutta said: "The time you spend with Jesus in the Blessed Sacrament is the best time you will spend on earth."
